## Innovations in Nutrition Technology Survey

The following questions pertain to the use of the handheld scanners and key tags that are used in the congregate dining and restaurant dining programs within your county. As a provider of one of the two programs which use them, we would like to know how the implementation of them has impacted you as a provider. This input will help us report back to the Administration on Community Living, on how using technology has impacted providers within our network.

1. How would you rate the effectiveness of the scanners in terms of tracking client units?  O Poor O Fair O Good O Very Good O Excellent
2. Do you feel that the scanners were a user friendly device to assists in capturing clients meal units?
O Strongly Disagree O Disagree O Neutral O Agree O Strongly Agree
3. Did you have any challenges arise with implementing the use of the scanners for you and your staff?  O Yes O No
4. If yes, what were some of the challenges?
5. Would you implement any changes in the way the scanners or other technology are used to track client service units and data?
O Yes O No
6. If yes, what would you like to see changed?
For Congregate Sites:
7. Do you feel that the implementation of scanners has helped to reduce the amount of staff time in terms of data collection and entry on a daily, weekly or monthly basis?
O Strongly Disagree O Disagree O Neutral O Agree O Strongly Agree
